

**DANCE THEATRE OF HARLEM  
FACILITY HEALTH AND SAFETY PROTOCOLS  
FOR THE GENERAL PUBLIC**

The health, safety, and well-being of our artists, staff, students, families, and visitors continues to remain our top priority. **All individuals visiting the DTH Facility are expected to follow the guidelines outlined in this document at all times.**

1. DTH no longer requires full vaccination for individuals entering DTH Facilities.
2. Individuals will conduct a health screening when visiting DTH Facilities.
3. Masking: Visitors may or may not be required to wear masks (see the grid below). During High Community Risk Levels, individuals will arrive to the DTH facility masked and remain masked during class, and in all common areas (lobby, stairways, common bathrooms, any space directly outside of studios, elevator, hallways/walkways).
4. Upon arrival, individuals will sanitize their hands and immediately undergo a contactless temperature check. If all clear, individuals will proceed directly to their assigned dance studio. If an individual temperature registers 100.4 or higher, he/she will be unable to participate in class and will need to leave the DTH facility.
5. If any individual tests positive for COVID, they must isolate for four (4) days and be asymptomatic before returning to DTH. If symptomatic obtain PCR or antigen test, if positive self-isolate 4 days (day zero is symptom onset). Antigen test on day four, and day five. If both negative able to return on day five. If one is positive, continue to self-isolate until a negative antigen test is obtained or for 10 days.
6. DTH asks all individuals in our facility to practice good hygiene including washing your hands frequently with soap or use hand sanitizer. Avoid touching your eyes, nose, and mouth. Cover your cough or sneeze with your elbow, shoulder, or a tissue.

If anyone is feeling sick, they should stay home and contact their health provider or local health department.

The pandemic continues to be an ever-changing situation. **DTH has the right to change its health and safety protocols at any time.**

**DTH Facility Rentals Covid-19 Protocol Grid**

<b>Community Risk Level</b>	<b>Mask Type</b>	<b>Daily Screen</b>	<b>Social Distance</b>	<b>Visitors</b>
High	N95, KN95, KF94, Surgical	Yes	Yes	No
