#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Dance Theatre of Harlem, Inc.
New York, New York

#### **Opinion**

We have audited the financial statements of Dance Theatre of Harlem, Inc., which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Dance Theatre of Harlem, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dance Theatre of Harlem, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dance Theatre of Harlem, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such
  procedures include examining, on a test basis, evidence regarding the amounts and disclosures
  in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Dance Theatre of Harlem, Inc.'s internal control. Accordingly, no
  such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dance Theatre of Harlem, Inc.'s ability to continue as a going concern for a reasonable period of time.

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

Dance Theatre of Harlem, Inc. (Dance Theatre) was organized as a non-profit corporation pursuant to the Not-for-Profit Law of the State of New York on February 11, 1969. Dance Theatre is primarily funded through contributions, government grants and program service fees.

Dance Theatre's goal is to make the performing arts widely accessible to young people, especially those who are not fortunate to have regular access, by creating and presenting the best of classical and neo-classical dance, and allied disciplines, while engaging communities nationally and internationally around the transformative power of the arts. The opportunity to study and excel in the arts gives students the discipline, sense of creativity, and self-esteem that will serve them throughout their lives. A better understanding of the arts is promoted among all races. There are equal opportunities to participate in classical ballet, jazz, modern, and ethnic dance regardless of race, color, creed, age, marital status, disability, national origin, or sexual orientation. Additionally, Dance Theatre establishes and operates centers for teaching and the presentation of dance productions.

#### Investments

Dance Theatre reports investments in equity securities with readily determinable fair values and all investments in debt securities at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statement of activities.

Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

#### **Fair Value Measurements**

FASB Topic 820, under the FASB ASC, defined fair value, established a framework for measuring fair value, and expanded disclosures about fair value measurements. The standard provides a consistent definition of fair value, which focuses on an exit price between market participants in an orderly transaction. The standard also prioritizes, within the measurement of fair value, the use of market-based information over entity-specific information and establishes a three-level hierarchy for fair value measurements based on the transparency of information used in the valuation of an asset or liability as of the measurement date.

Assets and liabilities, subject to the standard, measured and reported at fair value are classified and disclosed in one of the following categories:

Level 1 – Quoted prices are available in publicly traded markets for identical assets or liabilities as of the measurement date. The type of investments in Level 1 include listed equities held in the name of Dance Theatre and exclude listed equities and other securities held indirectly through commingled funds.

Level 2 — Pricing inputs, including broker quotes, are generally those other than exchange quoted prices in publicly traded markets, which are either directly or indirectly observable as of the measurement date, and fair value is determined through the use of valuation methodologies.

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Fair Value Measurements (continued)

Level 3 – Pricing inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value require significant management judgment or estimation. Investments that are included in this category generally include hedge funds, private investment funds and partnership interests, which are required to provide Dance Theatre with periodic audited financial statements.

Dance Theatre follows the accounting standards of the FASB ASC Subtopic 820-10-35-59, Fair Value Measurement and Disclosures - Fair Value Measurements of Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent). This allows for the estimation of the fair value of investments in investment companies, for which the investment does not have a readily determinable fair value, using net asset value ("NAV") per share or its equivalent, as provided by the investment managers. Dance Theatre reviews and evaluates the values provided by its investment managers. These estimated fair values may differ significantly from the values that would have been used had a ready market for these securities existed.

Investments valued using a NAV as an estimate of fair value are exempt from categorization within the fair value hierarchy and related disclosures. Therefore, Dance Theatre separately discloses the information required for assets measured using NAV and discloses a reconciling item between the total amount of investments categorized within the fair value hierarchy and total investments measured at fair value as reported on the consolidated financial statements.

#### **Promises to Give**

Unconditional promises to give are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in more than one year are recorded at fair value, which is measured as the present value of their future cash flows. The discounts on those amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue.

#### Income Tax Status

Dance Theatre is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

#### **Fixed Assets**

Dance Theatre carries purchased fixed assets at cost. Donated fixed assets are carried at fair value at the date of donation. Depreciation is computed using the straight-line method.

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Leases

Dance Theatre does not recognize short-term leases in the statements of financial position. For these leases, Dance Theatre recognizes the lease payments in the change in net assets on a straight-line basis over the lease term and variable lease payments in the period in which the obligation for those payments is incurred. Dance Theatre also does not separate nonlease components from lease components for all classes of underlying assets and instead accounts for each separate lease component and the nonlease components associated with that lease component as a single lease component. If the rate implicit in the lease in not readily determinable, Dance Theatre uses a risk-free rate as the discount rate for the lease for all classes of underlying assets.

#### **Accounts Receivable**

Accounts receivable consist primarily of tuition and performance fees due from clients and students as part of its program services. Accounts receivable are stated at the amount management expects to be collected from outstanding balances. As of June 30, 2023 and 2022, management has determined, based on historical experience, that all amounts are fully collectible and no allowance for doubtful accounts is necessary.

#### **Contributions**

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

#### **Government Grants**

Dance Theatre's programs are funded in part by grants from government agencies that are conditioned upon Dance Theatre incurring qualifying expenses. Revenue from these grants is generally recognized on a reimbursement basis, that is, when qualifying expenses are incurred by Dance Theatre, both a receivable from the grantor agency and revenue are recorded. Grants are generally restricted by the grantor for a specified purpose. Grants whose conditions and restrictions are met in the same reporting period that the revenue is recognized are reported in increases in net assets without donor restrictions.

Costs are allocated to these grants in accordance with established procedures and are subject to financial and compliance reviews and audits by the grantors and other government agencies. No determination has been made regarding the effect, if any, such reviews and audits could have on the financial statements.

NOTES TO FINANCIAL STATEMENTS June 30, 2023 and 2022

#### NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Donated Services**

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or they require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Volunteers also provide various services through the year that are not recognized as in-kind contributions in the financial statements since the recognition criteria were not met.

#### **Revenue Recognition**

Program revenue primarily includes performance fees and ticket sales and tuition and fees. Performance fees and ticket sales are recognized as revenue when the performance occurs. Tuition and fees are recognized ratably over the applicable semester, net of any refunds. Accounts receivable at June 30, 2023 and 2022 are as follows:

	 2023		2022		
Beginning of year End of year	\$ 105,801 51,482	\$	2,115 105,801		

Amounts received in advance of the period to which the services are delivered are reported as deferred revenue:

	 2023		2022		
Beginning of year End of year	\$ 272,068 146,823	\$	102,021 272,068		

#### **Estimates**

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

#### **Expense Allocation**

The financial statements report certain categories of expenses that are attributable to more than one program service or supporting activity. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, payroll taxes and employee benefits, professional fees and contractual services, insurance, and depreciation, which are allocated on the basis of estimates of time and effort. The following program services and supporting activities are included in the accompanying financial statements:

Community Engagement – Dance Theatre's national education and outreach initiative is the embodiment of Dance Theatre's commitment to increasing access to the performing arts.
